## ***Volunteers Needed - Help With Boat Storage!***

It's nearing that time of year again, and we need some help! We have three work days planned to get the boats out of the water. If you are able to help with any of these, please reply so we can plan ahead.

Wednesday, October 14

3:00 to 6:30 PM (meet at docks downtown)

- Pull Feva's to Gougeon's and take out of water/store
- Transport DS to launch ramp, load, take to Gougeon, power wash and prep for storage

Saturday, October 17

9:00 AM to 2:00 PM (meet at docks downtown)

- Pull docks to Gougeon with prams
- Pull wooden docks out
- Winterize power boat motors
- Power wash power boats
- Store DS
- Finalize anything remaining from Oct 14

Please reply if you can attend so we know who to expect. Any help is greatly appreciated!

THANK YOU to everyone who came out Friday, October 2 to help with the keel boats despite the wind and cool weather! They were able to get everything done in one day instead of two, so the tentative October 9 work day is no longer needed.

## ***Annual Meeting - Save the Date!***
