### ***Memberships Keep SBCSA Alive!***

Becoming a member of the Saginaw Bay Community Sailing Association definitely has some perks - you get to socialize with other members throughout the year, use the lesson boats on the river during Tuesday night open sailing, use the keel boats during Thursday night open sailing or through our checkout program, participate in our racing opportunities, and access other programs available only to members. Your membership also allows you to help sustain a program and organization that you've come to care about! Without the support of our members, we wouldn't be able to offer the programs we do to the community. Please consider sending in your membership form now. If you've already sent it in, thank you!

## ***Wine, Cheese & Ale Tasting w/ Charity Auction***

I'd like to send a huge shout-out to our planning committee, volunteers, board members, and supporters who helped plan - and attend! - this year's fundraiser. Without your support we wouldn't be able to offer our programs to the community at such an affordable rate.

THANK YOU!
