

## **Supporting** SAGINAW BAY COMMUNITY SAILING ASSOCIATION

**with the**

- You have just purchased a \$5 Kroger “gift” card – thank you! You can use your card to buy \$5 worth of groceries at Kroger stores.
- The serial number on your card is linked to           SBCSA 's           account at Kroger. (Note that other Kroger gift cards will not be linked to           SBCSA          . You have to purchase it from a           SBCSA (Bob Nelb)           representative to be sure the card is linked to the           SBCSA 's           account).
- To support           SBCSA           on an ongoing basis, add money to your card (“reload” your card) and then use your card each time you buy groceries at Kroger. Use it at any Kroger or Kroger Affiliate across the US, including purchases at Kroger gas stations.
- You can add money to your card (“reload” your card) at the Customer Service desk at Kroger or you can ask a cashier to “reload” your card (before you check out with groceries).
- When “reloading” your card, you can pay with cash, use a debit card or use a credit card.
- When paying for groceries with your card, you will still use your Kroger Plus card to get Kroger specials.
- Every four weeks, Kroger reviews           the SBCSA 's           account and sends either a statement and or check for 5% of the money that has been “reloaded” onto the cards.
- **Summary:** Each week (or once a month), when you go to any Kroger, stop at the service desk and “ reload” your card with the amount you usually spend in a week (or month) then simply use your card to pay for your groceries. Have the satisfaction that you are helping           the SBCSA           every time you “reload” your card with money.

Thank you,  
Bob Nelb
